that was corrupting both should be done away y a joint with: The amendment of Mr. Bosman was then put und this Mesers. Bosumn. Descon, and Duncanson voting in the affirmative. The original resolution was then put and earried by a rote of 8 to 2, one member not He hau

Mr. Rowert then rose, and said that he enand one could correborate all the facts they had brought ate tru he forward by others within his own knowledge. His e knew at own comparadore declared the present system to be most injurious. Very many some of who never gambled before, do so now; and impradore great numbers of those who would not have gone into the low sluins where illicit gambling out alone Mractions

was formerly carried on do not now hesitate to go openly to the licensed gambling houses, to incse were case might be. He had no experience himself as to the working of the ordinance here; this was no Muono he saw a very different set of people hat were gainbling from the miserable wretches who used to be brought up in our Police Courts dund and before the ordinance. The police force was be thought now very much changed from what it used to bc. At present there was an active and chealed man at its head, one who must be quite above collusion of any kind, and the entire force was of a much higher character. question; He would therefore propose: "This at is the opinion of this chamber that

our present police force, with the aid of the influencial portion of the Chinese trading community (which would be readily given), are quite competent to suppress gambling." Mr. JOHN LAPRAIK suid he but much pleasure in seconding this resolution. When he first heard of the gamiding ordinance, he enguged in mployes of was in favor of it, but since it had been in econd this operation he had seen reason to change his views. Chinese property he had good reason to know had declined 25 or 30 per cent. rea-source or and he considered that gambling had much to do with this. This was occasioned insetly by a decrease in the number of small ay certainty of official, shops open. These small traders had doubtless test all their small capital at gaming-

tables, and then been obliged to close up and

Mr. TAYLOR said that when the Covernor first came to the colony he had put ble and indown gambling for about two weeks' without hinself knowing it. He had sent round officers to say that he would not allow gambling effects were. in any form, but the Chinese, after waiting for a fortnight, naw no prochunation on the subject and heard nothing further, they conto bis knowsequently concluded that them were the words of a men who did not mean shot he said. Gurd although it had the such said the such was the evil reputation of the local chair. the Yamun with a present for his Excellency, given notice of our intended visit. The streets meet the ends of justice. We understand that His Exc. Hency Sir consisting of some shag tobacco, a few cheroots, were thronged with spectators, and on arriving the Mrs. Rose du Luz-here "let out" at the commerce of our intended with spectators, and on arriving the Mrs. Rose du Luz-here "let out" at the commerce of our intended with spectators, and on arriving the during the during the consisting of some shag tobacco, a few cheroots, were thronged with spectators, and on arriving the during the consisting of some shag tobacco, a few cheroots, were thronged with spectators, and on arriving the during the consisting of some shag tobacco, a few cheroots, were thronged with spectators, and on arriving the consisting of some shag tobacco, a few cheroots, were thronged with spectators, and on arriving the consisting of some shag tobacco, a few cheroots, and on arriving the consisting of some shag tobacco, a few cheroots, and on arriving the consisting of some shag tobacco, a few cheroots, and the consisting of some shag tobacco, a few cheroots, and the consisting of some shag tobacco, a few cheroots, and the consisting of some shag tobacco, a few cheroots, and the consisting of some shag tobacco, a few cheroots, and the consisting of some shage to consist and the constant of the constan Rutherford Alcock has requested Admiral of soap; which last article it is devontedly to be of people eagerly awaiting us. Our chairs trainfely in Portuguese, so that the substance hope I to send an additional gunboat to hope I he made a good use of. He sent us his were limited, and mobbed to such an of the spench cannot be reported. Therefore as specially as possible. We are led those and in return lagged extent that the reach, Russian, and American particle of a pretty casket containing near the door, and when at last we managed constable to go down with her to the house, and managed constable to go down with her to the house.

gambouts here immediately, with the view of giving protection to and watching over their show continued with great successional the city soldiers in attendance, were positively obliged away, which favour was acceded to by His giving presention to and watering over their gates were shut for the night, about two to Envicade the entrance, which was twice Worship. Mrs. Ross du Lux was advised to respective national interests at this port. The gates were saint for the respective national interests at this port. The only vessel of war at present at Tientain properties, and in position for keeping open the communication, is H B.M. ganboat Dote. the communication, is H B.M. gambout Done.
Lieut, Dunley. Her Britannic Majesty con with just reason expect that other forciga Governments will contribute their quota of monthly their generosity so far as to ments will contribute their quota of monthly the same handfuls of test. I need hardly the received na most baughtily, and in Links was some handfuls of test. I need hardly mission, he received as most baughtily, and in Links was maken the property of the vessel, was mission, he received as most baughtily, and in Links was the interpreter of the vessel, was mission, he received as most baughtily, and in Links was the interpreter of the vessel, was mission, he received as most baughtily, and in Links was the interpreter of the vessel, was mission, he received as most baughtily, and in Links was mission, he received as most baughtily, and in Links was mission, he received as most baughtily, and in Links was mission, he received as most baughtily, and in Links was mission. stationing a small vessel of war in the port may that in spite of their kindness we took the while Tientsin may be attacked and occupied earliest opportunity of getting off in our new while Tientsin may be attacked and occupied earliest opportunity of getting off in our new bests on the following morning.

thing at all for us, and that we had better go form labourers were walking in the Queen's.

The weather now was bright and besitiful, on rails! At this we rese and firmly insisted read, when they were accosted by a min passed

Mr. Dick, Commissioner of Customs at Tients sin during the last twenty, months, left this port two days back in the steamer flatighment of Commissioner of Customs. While Mr. Dick was in charge of the Customs. While Mr. Dick was in charge of the Customs at this port, he did much to simplify and facilitate the transport of business. He left this port respected by and rocky conical bills divertion of business. He left this port respected by every one, and carried away with him their heat wishes. He is a man of Conton station of Kiangss, where the water part of our journey of Kiangss, where the water part of our journey are invited by the face of the point of the menuing of the face of the point of Kiangss, where the water part of our journey are invited by the face of the water part of our client in signs of the superior officer in right of our passports, and make their way, who was employed to obtain coolies for the vessel; this man naked them were destroy while were soon to their way. The river would through a thick is producing the chop of his superior officer at questions as to whether they would not mind doing so, whereupon the respect of the clustoms at this port.

The weather now was bright and facility boat for our passports, and water of our claim. At last, to work on beautiful the were of our claim. At last, to work on board ship, the work on the invested of the pass of the point of our claim. At last, to work on board ship, the work on the week of the pass of the work on the content of our claim. At last, to work on board ship, the work on the work on the work on the presence of the customs at this posses. The transport of the claim the would present of the claim the work on the work on the work on the work on the presence of the customs at this posses. The content of the claim of the content of the claim of the content of the customs at this posses. The content of the claim of the con their best wishes. He is a man of whom the Customs service have reason to be proud. The steamer Manchu, Captain lark, is the only merchant steamer in port, and she leaves here nt 10 A.M., to-morrow.

Our road by through forming rapids far deeper and stronger than had brought on board had not marked on the shooting being a common occur-cultivated plains and shady groves, and it was search. The shooting being a common occur-cultivated plains and shady groves, and it was repeated in the river Yang-po and them the word "visite;" he should say that those we ascended in the current Yang-po and them the word "visite;" he should say that repeated to put a stop to it, but as not until the following day that we commenced the danger consisting in the current Yang-po and them the word "visite;" he should say that

foreigners and natives do not inderstand each other is an ocall to put a stop to it, but as foreigners and natives do not inderstand each other is languages, mutual misunderstandings are sure to arise on such occasions which may lead to blows one party being anxious to get their game, the other to oppose the invasion of their privacy. The section of the female portion of their family being so very strictly guarded in halted before a dark, dirty old slied; built some through and the same grand scale, they had never been examined by film.

Taienting, the danger consisting in the exformation in the extreme and natives do not inderstanding the second film and the privacy. The section of the female portion of privacy. The section of the female portion of the family being so very strictly guarded in halted before a dark, dirty old slied; built some to on the same grand scale, they had represent the fishion of a Yamana to other the family being so very strictly guarded in preventing them from going on shore; they had they had not into the fishion of a Yamana to other to oppose the invasion of the female portion of the family being so very strictly guarded in preventing them from going the habit of the bear and the privacy. The section of the female portion of the female portion of the female portion of the female portion of the fishion of a Yamana to other the fishion of the fishion of a Yamana to other the fishion of the fishion of the fishion of a Yamana to other the fishion of the fishion China from the intrusion of strangers, these foreigners may receive serious wounds in their with stenches and abountations of all kinds, feet mixe of gigantic rocks, which impart a sinder the fashion of a Yamun, teening and the river pursues its course through a perfect mixe of gigantic rocks, which impart a sinder the fashion of all kinds, feet mixe of gigantic rocks, which impart a sinder the fashion of all kinds, feet mixe of gigantic rocks, which impart a sinder the fashion of all kinds, feet mixe of gigantic rocks, which impart a sinder the fashion of all kinds, feet mixe of gigantic rocks, which impart a sinder the fashion of all kinds, feet mixe of gigantic rocks, which impart a sinder the fashion of all kinds, feet mixe of gigantic rocks, which impart a sinder the fashion of all kinds, feet mixe of gigantic rocks, which impart a sinder the fashion of a fashion of all kinds, feet mixe of gigantic rocks, which impart a sinder the fashion of a fashion of all kinds, feet mixe of gigant is rocks, which impart a sinder the fashion of all kinds, feet mixes of gigant in their lates and a fashion of all kinds, feet mixes of gigant in the fashion of a fashion attempts to penetrate. The Taotai feels considerable anxiety on this score, and his object population, all turned out to stare at the A wilder scene of solitude I never remember to acceded to their request, but if they had received in bringing the matter to the Consul's notice is foreign devils. Here we dired and washed have witnessed, forming a most remarkable con- any money he should have detained toom, and to beg his good offices in disseading foreigners -inexplicable operation to the celestial mind trast to the blooming verdure we had so recently applied to Mr. Back.

stack upon their beam-ends; and here we slept, at Kien-ning-free, where we promised a large in the liabit of bringing regetables from their While the Est King was getting under weigh in a rickety old shanty, half open to the air, but to take us right down to our destination farm every day to sell at his shop; they sold on the 28th ult. she ran into the barque Alegons, with a bare mud floor. We were stirring ear-form sum which, with what we had paid for the rene of Sung you-hee; on the 20th ult. she ran into the barque diegons, carrying away, the latter's mizzen mast and main-yard, and staving in her port quarter. It mate, who was sleeping at the time in his beeth, narrowly escaped being struck. The scenery was extremely fine, particularly a ravine has only just repaired, the dumages slo sustained in a collision with the Lidy Love as short time since.

An inquiry has been held into the circumstance under which the White Adder got on shore a few weeks ago. The pillut, Hicks, was convicted of want of proficiency, and suspended to profice and the grass grew long and thick like that of any there were any the first and the grass grew long and thick like that of any there were any the first and to proficiency, and suspended to profice any the grass grew long and thick like that of any there were any the first and the grass grew long and thick like that of any there were any the first and the grass grew long and thick like that of any there were any the first and the grass grew long and thick like that of a jungle. Higher and higher, wound the fockry staying the sale for them. Gradually, Mr. May said he must commit the prisoner. The wreck of the Mary Francis has been sold for Tls. 210, and the cargo for Tls. 80. We doubt whether purchasers will find much of the latter remaining.

In PAN.

In page and an every step the amphitheatre staticase, and at every step the amphitheatre for them. Gradually, for trial, at the Supreme Court, but he would show been used for them. Gradually, however, they ceased; the scenery changed almost imperceptibly rocks became less frequent and less precipitons, and by the time we reached the will age of Sney-kow we were sailing through the will age of Sney-kow we were sailing through released.

In the archest scened to touch the sky. At last Yokohama papers contain little additional we reached the top, and had hardly regained mind the lake districts of our own distant news. Stotslashi's submission is confirmed; breath when our chair coolies who were on a land. Gently undulating hills threw their breath when our chair coolies who were on a land. Gently undulating hills threw their breath when our chair coolies who were on a land. Gently undulating hills threw their purple shadows over the water, the soft foliage of olive-groves once more refreshed the eye, of olive-groves once more refreshed the eye. are said to have been executed as having been ther loss of time. We accordingly ran down and the appearance of peasures passing to opened the Premises Nos. 88 and 90, Queen's concerned in the marder of the French sailors the other side, and there beheld a singularly and fro seemed to intimate the approaching at Sakhai; and H. I. M.'s Minister has asked strange, and at the same time somewhat alarm- termination of our journey. At length, on the

Chamber to notice the subject moder discussion. but if they did he certainly thought they mucht to make some further inquiries, in order that when they did take serion they might be prepared to offer auggestions to the Governor as to what was to he done in place of the unlinance. If this ordinance was repealed. we went back amin to old story of corruption of the police, and all that took place before the ordinance was passed. He would therefore offer as an amendment to but the first resolution :-"That before expressing an enimonas to the and offects of licensed gambling, this chamber should appoint a committee to make the necestride of this colony by licensed grinbling."

Mr. Dunganson seconded the uncedence.

Mr. Rygig said that his experience with the Chingse was quite different from Mr. Bosman's. His own compradore know very well that at And he was in favor of the gumbling ordinance. took but had nevertheless expressed to him emphatic disapproval. Another old Chinese n the of the measure had raplied that he was very anid much surprised. Mr. Taylon in reply to Mr. Buman's re-

bling marks said that he remembered some time since fany there were public besting-houses opened in police upon the roung men wis so great, and felt to upon the young men wis so great, and felt to been be such an eril, that the merchants petitioned Government to abut them up, and they were accordingly closed. It was much better to have is police corrupt than a whole community utterly Mr. Bosstan mid only a few instances of shroffs gambling had been mentioned, and he did not think the chamber need take

may notice of it, nor was there any impop mediate danger of the whole community being Mr. Hiromcock said that he objected to Mr. Bosmun's amendment, first because two weeks notice of this meeting had been given, which was ample time for all to have made all necessary inquiries, and certain members bad done this, and accordly because he considered the second part of his amondment, viz., " and suggest a practical remedy for the complete suppression of gambling in this colony? conitted shore because anbequently withdriven by Mr. Bosemal entirely gratuitous. He did not think the foreign wanted any

voured coverament of the colony. They were only dealwas embodied by the original resolution before k that the meeting. Mr. Bosman leaded the meeting could not when express an opinion upon a subject it was not been properly informed of. If grabling was to be extable rectable entirely abolished be was with them, but of In all the two wife let though it much wiser to cho-o the two evils has though it much wiser to cho-o on the the legar. The horre expression of quinion would be of little practical use, unless they and the could also angrest an effectual remedy. If a committee were appointed the matter could then be thoroughly gone into and discussed. Mr. Hirencoas said there were a munier

There is their personal knowledge of the testimony of their personal knowledge of the goils of this unlinance. If the police were corsuproble, and the halive population me easily gui,dm corrupted, it was high time that the very thing that was corrupting both should be done away ambling estorious The opendment of Mr. Houman was then put STUNE IN to the meeting, and leat by a vote of 8 to 8. Mesers. Bosnan, Decean, and Duncapson

voting in the aftirmative. than his carried by a vote of 8 to 2, one member not Mr. Rowert then rose and said that he entireig agreed with what had been said by the supporters of the resolution just passed, and be to traite forward by others within his own knowledge. His

e knew of system to be most injurious. Very many who never granbled before, he so now; and great numbers of those who would not have gone into the low slums where illicit gambling tirustimas was formerly carried on, do not now hocitate to one would go openly to the licensed gambling-houses, to ness were append the rown prother people's money, as the this was might be. He had no experience him; elf as to the working of the ordinance here; ut Macoo he saw a wery different set of people land and gambling from the miserable wrotches who used to be brought up in our Police Courts entrust. before the ordinance. The police force was he thought now very much changed from what it: rith large them, and used to be. At present there, was an active and educated man at its head, one who must them and be quite above collusion of my kind, and the entire force was of a much higher character.

question. He would therefore propose "That it is the opinion of this chamber that t injurious the would our present poline-force, with the aid of the the would influenced portion of the Chinese trading community (which would be roughly given), are injusionaly quite commetent to suppress gambling."

Mr. JUHN LAPRAIK said be buil much barge por picusing in according this resolution. When engaged in he first heard of the gambling ordinance, he mployes of was in favor of it, but since it had been in

econd this operation he had seen reason to change his owing to to know had declined 25 or 30 per cent. we colony, it and he considered that gambling had noted to do with this. This was occasioned ly cortainty mostly by a decrease in the number of small paying upon shows open. These small traders bad doubt less lost all their small capital at gamingon gathered tables, and then been obliged to close up and e would re- 1 leave the colony. blr. Tayton said that when the Governor. knowledge.

ble and infirst came to the colony he find put down gumbling for shout two weeks' without bimself knowing plt. He had sent round officers to my that he would not allow gambling effects were. in any form, but the Chinese, after waiting ad that be for a fortnight, saw me proclamation on the smong the subject, and heard nothing further, they consemently ameladed that these were the words of given up of a man who did not mean what he said. When the present Character of Cauton first arrived, he gave a similar intimation, and followed it up by a proclamation, to the effect that he meant what be said, and the consequences was that gambling does not exist in that city. The resolution was then put to the meeting,

the shrolf and curried by six votes, seven gentlemen between here deciming to vote. There being no further business the meeting rge deficit in then separated.

The narrowly escaped being struck. The narrowly escaped being struck. The nerves a special word of notice. The path-way plug-foung, where we struck the Min, and here tables, desiring the nals to be entered in his the scenery became of ill more majestic in its book as coming from Sang-you-her. This just sustained in a complete we called through ful bamboo, whose waving light green follings character, and for come miles we called through corresponds with the time the men say they approach to the circum-afforded a pleasant abade from the glare of the aperfactly straight avenue of grey hours book were detained: abore a few weeke ago. The pilot, Hicks, was seventy or eighty feet high, shot up on all sides. Here, too, the rapids increase in power and Inspector Shead said he had not been able up convicted of want of proficiency, and suspended and the grass grew long and thick like that of depth, and I very much doubt whether such to the present time to find Ah-loong, the man a jumple. Higher and higher wound the rooky mund boats as those we had left at Kien-ring. who had entired tham on board the ship. The wreck of the Mary Francis has been sold plaircase, and at every step the amphitheatre foo could have been used for them. Gradually, Mr. May said he must commit the prinoner for Tla. 240; and the cargo for Tla 80. We of mountains seemed to rise and expand like a however, they coased; the scenery changed for trial at the Supreme Court, but he would

for Tis. 240; and the cargo for the co. We glorious panoraus as far as the eye could reach. It was like being in a great enthedral where the pillars were crowned with leafy chapters and the village of Sner kow we were sailing through released.

Yokohuma papers contain little additional Yokobama papers contain little additional we reached the top, and had hardly regained mind the lake districts of our own distant froops is spoken of as proximate. Eleven men altrin seemed to urge us onward without furof place more refreshed the eye, the loss of time. We considered the eye, the soft foliage of the loss of th and the occupation of Yeddo by the Mikado's bend came rushing back and with gestures of purple shadows over the water, the soft foliage are said to have been exercised as having been ther loss of time. We accordingly ran down and the appearance of peasants passing to opened the Premises Nos. 88 and 90, Queen's concerned in the marder of the French molors the other side, and there beheld a singularly and fro seemed to intimate the approaching Road Central. lately known as the "Alsion at Sakhni; and H. L. M.'s Minister has saked strange, and at the name time somewhat alarms termination of our journey. At length, on the HOTEL as a Cafe, and for the sale of CONmorning of the 14th February, we came in The mountain was on fire. Some persists, sight of the white houses which stand upon turns by a thoroughly competent European the aills around Fooelow, the successful com- artiste. neighbourhood, and a strong wind was blowing inletion of our enterprise in no way lessening more in the land of the living.
